CARE MESSAGE:

Dear Parents, Staff, and learners,

As we reflect on the past year, we are filled with immense pride and gratitude for the incredible generosity and spirit of community that has shone through in our various fundraising initiatives. Thanks to your hard work, support, and participation, we have been able to make a positive impact on several meaningful causes.

Our PTA's Pre-Loved Clothing Sales were a wonderful success, offering great value to our families while promoting sustainability. The Tombola Stand at our Annual Fun Day was another highlight, creating a festive atmosphere while raising funds for our school. We truly appreciate the enthusiastic support of everyone who contributed to making these events so memorable.

In addition to these, we hosted a number of other important fundraising efforts. Slipper Day was a heartwarming initiative in which we raised R15 060.00 for Reach For a Dream, supporting children with special needs.

We also raised R6 377.70 for CANSA with our coin collection.

Our Hospice Fundraiser, where we collected 173 bags of items for donation, brought our school community together for a compassionate cause. And our Carols by Candlelight event was a beautiful evening that raised R55 975.40 for the SPCA, touching hearts and making a real difference for animals in need.

These events have not only helped us raise essential funds, but they have also brought us closer as a community, teaching our learners the value of giving, compassion, and working together for a common cause. Our latest fundraiser in progress is collecting stationery for schools in need. We are certain this will also be a great success.

Thank you once again to everyone who contributed in any way. Whether you volunteered your time, donated items, or participated in the events, your involvement has made a significant difference. We look forward to continuing these efforts and making an even greater impact in the future.
